Supporting Docs	<i>Certificate of Conformance, Test Report, Malware Certificate</i>	<i>CoC, OEM Test Report, etc. (as document types under operation)</i>
Report Outcome	<i>Accepted / Rejected</i>	<i>Usage Decision: Accept / Reject / Conditional</i>

Common / Similar Terms

Identification & Header

- **Inspection Report**
- **GR No. (Goods Receipt Number)**
- **Date**
- **PO No. (Purchase Order Number)**
- **Vendor / Supplier / Manufacturer**
- **Part Number**
- **Part Description / Material Description**
- **Quantity Received / Lot Quantity**

Inspection Information

- **Sample Quantity / Quantity Inspected**
- **Inspection Type / Operation (Visual, Dimensional, Electrical, Document Check)**
- **Inspection Date**
- **Inspector Name / Inspected By**
- **Approved By**

Inspection Details

- **Visual Inspection**
- **Dimensional Inspection / Measurements**
- **Electrical Test / Functional Check**
- **Parameter / Specification / Result / Remarks**

- Observation / Remarks
- Accept / Reject / OK / Not OK Status

Documentation / Certification

- CoC (Certificate of Conformance)
- Test Report / OEM Test Report
- Malware-free Certificate / Documentation Verification

Results & Summary

- Accepted Quantity / Quantity Accepted
- Rejected Quantity / Quantity Rejected
- Inspection Result (Accepted / Rejected)
- UD / Final Decision / Status
- Remarks Section (General Comments)

Traceability / Approval

- Inspected By
- Approved By / Authorized Signatory
- Date of Approval / Signature Date
